A Note from the President

Great trip to Emerson. Very interesting labs and testing facilities.

Great turnout for the webcast. Our apologies to all who joined us at Sinclair. We had a “perfect storm” of issues that made the first half difficult to watch, including problems with the bandwidth allocation program and another large job running in the building at the same time. The second half was much better. I have the DVD on order and will be happy to loan it out to any who would like to review any parts they missed.

Now that Spring is finally here, we have some great activities coming up to finish out the year. Golf foursomes are sold out, but there is still room at the Dinner—should be a great barbecue and a lot of fun, even for the non-golfers among us. And the Dayton dragons outing comes up soon after that. Reserve your tickets now! The Dragons are always a good time for families, so bring the kids and grandkids!

June brings back the much-anticipated Green Expo, now in it's 4th year. Earn PDH points at the seminars and visit all of the vendors while you munch on snacks and beverages provided. This is a great, NO COST activity which just gets better every year.

Congratulations to our new officers, who will officially take over July 1, 2009.

President—Jeremy Fauber

President-Elect—Rick Pavlak

Treasurer—Garret Elmer

Secretary—Colleen Haun (thanks for agreeing to re-up with us!)

Board of Governors—Greg Cohron and Frank Mauro

Have a great Spring!

Sincerely,

Larraine A. Kapka, P.E.
