

Dayton ASHRAE “News You Can Use”

MARCH 14, 2008

Need PDH Points for PE License Renewal?:

ASHRAE Satellite Broadcast: April 16, 2008, 1-4 PM at Sinclair Community College, Building 14. “Integrated Building Design: Bringing the Pieces Together to Unleash the Power of Teamwork”

This broadcast explains what you and other members of the building team must do to advance high-performance buildings with improved design, construction and operations processes. Buildings that meet the needs of occupants and truly achieve sustainability objectives can only be created if the building community shares its knowledge and experiences. Join ASHRAE in learning more about your role in integrated building design and helping to create a sustainable built environment.

Worth 3 PDH points for your PE license renewal.
